For persons holding both the Fellowship Degree and the Educational Associate Degree, the Fellowship Degree precedes the Educational Associate Degree in the degree string. PPA degrees precede ASP degrees (examples: M.Photog.Cr., EA-ASP and M.Photog.Cr., F-ASP, EA-ASP).
3. Recipients may add the EA-ASP designation to their degree string upon receipt of the Educational Associate Degree medal. They will receive their Educational Associate Degree medal at the next annual ASP Awards presentation following the earning of their degree. However, they may publicize their success in earning the degree upon official notification by the Educational Associate Degree Chair.

¹ Speaking/teaching/writing merits accumulated towards Educational Associate Degree expire upon any lapse of ASP membership (unless the membership is reactivated within an ASP sanctioned grace period). PPA speaking merits earned while not an ASP member will not count toward the required merits for this degree.

² The merits required for the Educational Associate Degree correlate directly with PPA speaking merits (those awarded for speaking, teaching and writing t). All other PPA merits (service and exhibition merits) are not applicable toward this degree.
